A child cries for food. We doctors must answer.

World hunger is an ever-present scourge that claims 35,000 lives each day.

Physicians Against World Hunger (PAWH), is a non-profit, tax-exempt organization,

founded by physicians to defend the basic human right to food. In partnership with well recognized and reputable organizations PAWH supports hunger projects throughout the world.

Together physicians must bring an end to world hunger. We are sworn to protect human life. When people dying of hunger cry out for help, we must respond. — Please join us.
